Summary

Hello! I'm Kushagra Saxena, a passionate and driven B.Tech student in Computer Science with a specialization in Data Science, and a minor in Robotics at Shri Ramswaroop Memorial College of Engineering and Management, Lucknow.

My academic journey blends my love for data-driven solutions and cutting-edge robotic technologies, enabling me to explore innovative intersections of AI, data analytics, and automation. Alongside, my hands-on experiences in coding and problem-solving have honed my technical skills in Python, Java, and front-end development.

Beyond academics, I channel my energy into my diverse hobbies:
Guitarist and passionate about creating music
Beatboxer, expressing creativity through rhythm
Athlete, actively competing and excelling in badminton

Driven by curiosity and the pursuit of innovation, I am eager to collaborate on projects that push boundaries in technology and showcase creative problem-solving. Feel free to connect with me—I'm always open to meaningful discussions and new opportunities!
